If the application and fee are received before May 1st, the above rates will be lowered by \$50 per person. The application fee is over and above registration costs and after May 1st is non refundable. Special rates are available for those who prefer to live off campus. One half the full cost of registration is due on or before June 1st and is **non-refundable after June 1st** for a cancellation due to any reason other than a medical emergency, or equally critical situation. The balance of payment is due on arrival. Applications will be acknowledged as received, but acceptance of new applicants and recent attendees will be deferred until May 10th in order to ensure a balanced instrumentation and guarantee space for tenured participants.
